Blue Devil Basket Ball Squad Still Looks For Victory

Coach William Howard's Pahokee Blue Devil Quintet will travel to Vero Beach tonight still gunning for their first victory of the season but imbued with new spirit following the bad scare they gave the Delray Seahawks at Delray Beach Tuesday night.

The Blue Devil-Seahawk fray Tuesday night was the kind of contest that sticks long in the memories of sport fans. The Seahawks, a little cocky over their nine straight victories, had the Blue Devils in the bag before the game started but the draw strings started to loosen near the middle of the second half when Charles Phillips, forward, and Hueston Connell, guard, spearheaded a Blue Devil attack that brought Pahokee to the top end of the score and it was a seesaw affair from then on.

With four seconds to go the Blue Devils were in front by a one-point margin, 45 to 44, then there occurred one of those incredible plays one sometimes reads about but never is prepared to see. Payne Jackson, who had just gone into the game replacing Connell, to prevent the ball from going out of bounds near the Delray basket gave it a flip and with an infinite number of other places to go, the perverse, blankety-blank thing traversed a perfect arc that passed neatly through the center of the Seahawks' basket. Preposterous pandemonium prevailed as the Seahawks gathered in their tenth straight victory and the luckless Blue Devils bowed to their seventh straight defeat.

Juniors Net \$457 From Magazine Sales

The Pahokee High School Junior Class netted \$457 from the magazine subscription sales campaign recently conducted by the class in cooperation with the Curtis Publishing Company. The class as a whole sold subscriptions totaling \$1137. Prizes were awarded to members with the three highest sales records; First, Barbara Wilkinson, \$178; second David Ramsey, \$101, and third Johanna McKinstry, \$96. Funds received from the campaign will be used to put on the annual Junior-Senior Prom and for other class activities.

"Hypnotism" Show On Monday Evening

Members of the Sophomore Class of Pahokee High School on Monday Night, January 31, will present Dr. Robert L. Pettey in the "Wonders of Hypnotism" in the high school auditorium at 8 o'clock. Tickets may be secured from members of the Sophomore Class or at the door on the night of the performance. Student tickets will sell for 50c and adult tickets will sell for \$1.00. Members of the class are anxious that a big crowd be in attendance to see and hear the mystifying performance as given by Dr. Pettey.

PAHOKEE HIGH SCHOOL ATHLETIC ASSOCIATION FINANCIAL REPORT

Cleaning	244.00
Gulfstream conference, dues, fees	40.00
FHSAA Fees	26.00
Coaches' Bonus	500.00
Football Sweaters	153.00
Miscellaneous	178.68
Total	\$7923.83 \$7923.83
January 21, 1949 - Balance	\$ 257.21

This statement shows expenses and receipts for varsity and Junior High foot ball; varsity, "B", and junior high basketball. The miscellaneous expenditures include \$119.01 spent on the barbecue given for the varsity and junior high foot ball players and the cheer leaders. Approximately \$400.00 of the above expenditures has been spent on basketball and basketball accounts for about \$100.00 of the above receipts. The present trend in the gates at basket ball games indicates that basket ball will just about pay for itself during the remainder of the season.

Benefit Play Will Be Aim Of Legion

Plans for sponsoring a benefit play and musical program in the Canal Point school auditorium in the near future were discussed by members of Canal Point American Legion Post 242 at a meeting in the Legion Home Monday night. Commander Loel Lence, who presided at the business, was named chairman in the charge of arrangements for the project.

Sewing Bees Held By Legion Auxiliary

The American Legion Auxiliary, Post 90, is conducting a series of sewing bees at the homes of various members to make needed articles of clothing for patients at veterans hospitals. The auxiliary has placed a box in the lobby of the Pahokee postoffice as a depository for donations of woolsen pieces and used woolen clothing which can be used at the sewing bees to make quilted afghans and lap robes for wheel chair patients at the hospitals.

Production of pulsating aircraft decifiers has increased manifold in recent months and now is as high as that attained during World War II, reports the B. F. Goodrich Company. Most of the equipment is being shipped to Germany for installation on transport planes in "Operation Vittles."

Kitchen Equipped At Legion Home By Auxiliary Members

Members of the American Legion Auxiliary, Canal Point Post 242, met at the Legion Home Tuesday night with Mrs. Charles Maxson, president, presiding.

It was announced that the new porcelain cabinet sink and gas cook stove which the auxiliary is purchasing for the kitchen of the home have been delivered. The stove has been installed and the sink is in the process of being installed. The Legionnaires are redecorating the kitchen this week, following which everything will be in readiness for the serving of meals at social affairs held at the home.

At the conclusion of the meeting refreshments were served by Mrs. W. Pratt Pope and Mrs. J. H. Bordeaux.

County Exposition Plans Complete For Opening Mar. 3

Allotment of space to over one hundred exhibitors in the Palm Beach County Exposition to be held at the County Auditorium, Morrison Field March 3 through 12, except Sunday, from 2:00 p. m. to 10:00 p. m. daily, will be made February 1, according to W. Karl Lattons, Managing Director of the Exposition.

"There remains but a limited amount of outdoor space available for trailers, boats, feature trucks and other displays adapted to larger areas, and a still more limited amount inside the auditorium proper," Lattons said.

The Exposition will cover almost an acre of floor space under one roof and will bring together a showing of the largest exhibit ever held in Palm Beach County. Practically every product or service in this County will be represented, including agriculture, manufactured articles, home building materials and furnishings, electrical and automotive equipment, plant life, fish, bees, boats and sporting gear. Many feature displays of state and national origin will be shown for the first time in Palm Beach County. It is expected, shortly, either one or two displays of international origin will be added to round out the show and mark the beginning of the Latin-American theme of future Expositions.

In addition to the huge Exposition Building, plans have been made to include the Vocational School's exhibit in a separate building under the direction of Mr. G. J. Hardy. The Vocational Exhibit will be housed in the former Salvation Army Warehouse which is adjacent to the Exposition Building. Their display of workmanship and skills taught in the Vocational School last year claimed the keen attention of all in attendance and approached the professional mark. Mr. Hardy plans an even more extensive exhibit for 1949. The new location will afford greater facilities for display and provide a great incentive to his students. County officials cooperated to

Council May Ask For Hospital Bids At Tuesday Meet

The Pahokee City Council at a regular meeting Tuesday night inspected plans for the proposed new Pahokee Hospital drawn up and submitted by William Manly King, West Palm Beach architect. The council voted to hold a special meeting the first of next week for the purpose of discussing the plans personally with the architect.

It is generally thought that the council will instruct the city attorney to issue a call for bids on the proposed \$160,000 hospital at its meeting next Tuesday night after the plans are fully explained by the architect.

The bonds for erection of the hospital have been sold and the money is now available to start construction of the much-needed hospital. All that is necessary to start is for the council to call for bids.

The city council has a mandate from the citizens of Pahokee to build the hospital which was voiced in the recent hospital election when the vote in favor of the hospital was 341 to seven against building it.

Big Melon Cutting Planned By S. R. D.

LAKELAND — The State Road Board has started cutting up a multi-million-dollar highway construction and maintenance melon for the counties of Florida. Delegations from all sections of the state presented their appeals at the meetings which started here Monday for the inclusion of pet road and bridge projects in the new road department budget for 1949 that is in the process of preparation.

The total budget for the year probably will exceed \$50,000,000, although only about one-fourth of that will be available for new construction. Chairman Alfred McKethan of the road board declined to give complete figures on available funds. However, he issued a statement indicating there would be more than the \$2,247,426, he said earlier would be the limit for new construction.

McKethan said the fund would be increased by eliminating purchase of new equipment, laying up present equipment, reducing the betterment and periodic maintenance expenditures, general reduction of department operating costs and use of county surplus funds.

The total road budget for 1948 was \$61,000,000, and although income from tax sources will be about the same this year, an \$11,000,000 balance of a year ago has been spent.

Response of manufacturers, distributors and dealers to the invitation offered by the West Palm Beach Chamber of Commerce and Resources Development Board to participate in the Palm Beach County Exposition to be held at Morrison Field, March 3-12, has far surpassed all expectations, according to W. Karl Lattons, exposition director.

Highway Board To Spend Millions

LAKELAND — A \$51,942,333 Florida State road budget allocating nearly \$19,000,000 for new highway and bridge construction work to be started during the year was tentatively drafted here Tuesday.

The total is \$10,000,000 less than last year.

The over-all construction budget for work now under way or scheduled for the year provides \$34,118,668. Last year, the total construction budget was \$57,992,441 but the old board put in \$17,000,000 more for work than it could foresee in revenue.

Chairman Alfred A. McKethan of the new road board said "This is a realistic budget," he told delegations seeking approval of local road projects Monday the board was going to budget only what it actually expected to undertake.

The \$18,933,913 set up for new work to be started is less than a fourth of the \$75,000,000 or \$80,000,000 worth of projects requested by the delegations.

McKethan said specific projects for the new construction budget will be announced when the list is ready for the legal advertisement that is required by law. It will be published next week.

The tentative budget is subject to change after a public hearing on final adoption at Jacksonville on Feb. 28.

Of the \$34,118,000 budgeted for construction, \$14,856,677 is state money, \$10,031,553 is county money and \$9,240,535 is from the federal government.

In addition to the \$18,913,000 provided for entirely new work still to be started, the budget allows \$15,154,532 for new roads and bridges now under construction. All that work was started by the old board before it left office.

Aside from the \$34,000,000 budgeted for new construction, there is \$5,536,795 for maintenance, \$3,576,191 for payment of outstanding debts, \$2,679,250 in an emergency reserve fund required by law, \$1,688,808 for administrative costs, \$1,341,032 in payments on roads and bridges bought by the state, and \$1,216,522 for right of way purchases and surveys.

Woman's Club Hears Miss Betty Howes

Miss Betty Howes, who recently returned to this country after two years of civil service work for the federal government in the Orient, was guest speaker at a social and program meeting of the Woman's Club in the clubhouse Tuesday night.

Miss Howes spoke on "China and Japan" and in connection with her talk, had on display a collection of Chinese clothing, jewelry and other oriental objects of art which she had accumulated during her stay in the Orient. She was introduced by her mother, Mrs. C. T. Howes, chairman of the club's international relations committee, who, together with Mrs. R. J. Schroder, was in charge of the program.

Mrs. Parnell Enecks, president, introduced guests, including members of the Everglades Business and Professional Woman's Club who attended the meeting as a body.

Following the program refreshments were served from a large linen-covered table beautifully decorated with the club colors of yellow and purple for the occasion. The table, lighted with white tapers in crystal and silver holders, had as a centerpiece an attractive arrangement of yellow and purple flowers in a cut glass bowl. At one end was a silver coffee service and at the other, a silver tea service. Mrs. J. R. York and Mrs. Enecks were in charge of the pouring. Mrs. D. W. Cunningham and Mrs. Frank Rozelle also assisted as hostesses.

Mr. and Mrs. Inman W. Weeks were visitors in Arcadia and Nocatee Sunday evening and Monday.

Howes Announces His Sunday Topics

The First Methodist Church, Pahokee, announces that Pastor C. T. Howes will use as the sermon subject next Sunday Morning "The Christian Imperative". The senior choir under the direction of Glenn Abbing will sing the anthem.

The Sunday evening service will present the young people working at the Pahokee and Oseola Farm Labor Centers. They will tell of their work in the Centers. Those taking part are: Miss Hazel Trimmer, York, Penn.; Miss Irene Baird of Westminster, Md.; Mr. Vernon Freisen and Mr. Harold Pankratz of Hillsboro, Kansas; Miss Kathryn Leaf of Syracuse, N. Y.; and Mr. and Mrs. Myron Miller of Bridge-water, Va.

The service will consist of hymn singing, Scripture, Prayer with special music. This will be followed with three short talks given by Myron Miller, Miss Kathryn Leaf and Miss Hazel Trimmer explain-

ing the nature of the religious, recreational and nursery programs carried on in the centers.

Morris Kennedy Has A Birthday Party

Mrs. Norman Kennedy, room mother for Mrs. C. H. Willis's first grade at the Pahokee elementary school, entertained the first grade children with a wiener roast and outdoor party at the city park Wednesday afternoon in celebration of the seventh birthday anniversary of her son, Morris. Mrs. H. L. Carter and Mrs. Willis assisted the hostess with the entertaining and the serving of refreshments which also included cake and punch.

Larry Griswold, known as the "Aqua Fool," the zaniest diving-board gymnast in the world, will appear twice daily on the grandstand program at the 1949 Florida State Fair, February 1 to 12. It was announced this week by general manager P. T. Strieder.

Cinematic Chatter

By Malcolm Millar

Folks, you're in for one of the nicest times this coming Sunday-Monday at the Prince Theatre, when "When My Baby Smiles At Me," moves in.

Betty Grable and Dan Dailey are the stars of the piece, with James Gleason, Jack Oakie, June Haver and a great cast of musical comedy talent, and the picture is done in gorgeous technicolor.

Richard Arlen, who heretofore has been identified in action roles, has an entirely new type of role in this piece. Due to his youthful appearance he had to have his temples grayed by a makeup man in order to look mature enough to carry on in the character he is cast in.

With beautiful music, heart warming tunes, artfully rendered, with ensemble numbers in breath-taking beauty and dancing that is "out of this world" This show will certainly entrance you.

See you at the movies—Mal.

Mr. and Mrs. Terry Sellers have as their guest his mother, Mrs. Ella Sellers, of Ashford, Ala.

Farewell Party For Mrs. Ed Cushman

Mrs. Norman Kennedy entertained Saturday with a farewell bridge party honoring Mrs. Edmund Cushman who is leaving soon with her family for Lake Worth where they will make their home.

Prizes were awarded to Mrs. C. T. Jackson, high score; Mrs. Al Beverly, second high, and Mrs. L. L. Shirley, draw. Lovely farewell gifts were presented to the honoree by the above and other guests including Mrs. O. R. Bleech, Mrs. M. I. Keen, Mrs. Abe Dobrow, Mrs. Robert Chamberlain, Mrs. Curtis Chase, Mrs. T. S. Kirk, Mrs. J. M. Elliott, Mrs. H. T. Williams, Mrs. P. M. Cate, Jr., Mrs. I. M. Lair and Mrs. Joseph Kahn.

Through regular use of more than 2,000 newspapers to reach its customers, A&P Food Stores' advertising reached an all-time high in 1948.

Mr. and Mrs. Lloyd E. Duncan of West Palm Beach were weekend guests of her mother, Mrs. Margaret Hyatt, and brother, Robert Hyatt, in Pahokee.

From where I sit... by Joe Marsh

Who's A Foreigner?

While I'm waiting for a haircut the other day, Slim Hartman lets slip with a crack about those "foreigners" who live by the depot.

"Now wait a minute, Slim," snaps Doc Sherman. "Don't forget we're all 'foreigners' more or less. Some of our families have simply been here longer than others. But even if they came over on the Mayflower, they were foreigners to the Indians."

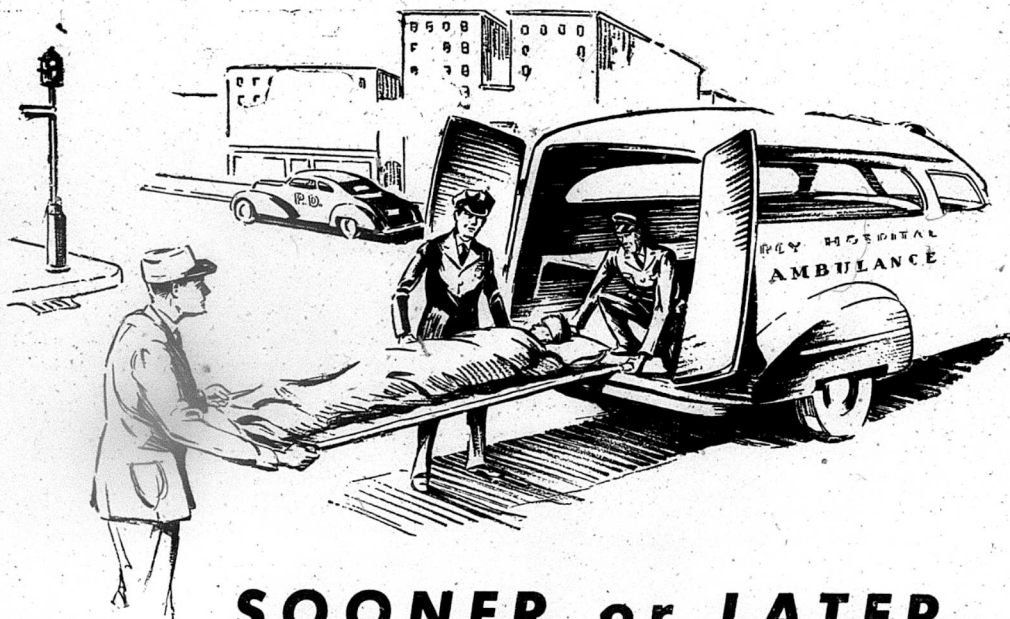

Slim gets a little red and you could see that Doc had him. "And the reason they came here," he goes

on, "was to find freedom to do and think as they wanted to so long as they didn't tramp on the rights of the other fellow."

From where I sit, America became the great land it is today through our being tolerant of different people and different tastes—whether it's a taste for square dancing or walking, radio or movies, goat's milk or a temperate glass of sparkling beer.

Joe Marsh

SOONER or LATER - MR. JAYWALKER GETS A RIDE!

You have heard of him before, read about him in the obituaries and cursed him when driving. Mr. Jaywalker is the habitually irresponsible pedestrian who accounted for 34% of Florida's traffic fatalities in *one* year and 195 of his kind were given a ride to the morgue. Throughout the nation 11,200 pedestrians lost their lives last year. Are you startled?

If you have any jaywalking tendencies in your make up eliminate them before they eliminate you. Danger to life and limb is ever present when you venture into traffic. Yet it requires only the simplest application of a little common sense and patience to quit being a jaywalker. Walk and cross streets and highways where you should — when you should. Don't pit your body against speeding metal; it won't win.

Living is a great adventure. Why cut it short before your time? Walk safely and live longer.

Mr. Motorist—

Prepared by the Associated Dailies of Florida, the Florida Press Association, and the National Conservation Bureau, as a public service.

State Fair Plans Bigger Than Ever

TAMPA—Final preparations are being made for the opening of the Florida State Fair on Tuesday, February 1, for 11 days and 11 nights. Activities have been in high gear this week as exhibits moved into the 55-acre area from all parts of Florida and many parts of the country.

Reservations several weeks ago claimed every foot of space on the big tract, making it necessary to turn back the flood of late comers, according to General Manager P. T. Strieder. Hundreds of commercial exhibitors and concessioners were disappointed, he said.

Two loan exhibitions of American art arrived this week. A group of works by American painters was sent here by the Metropolitan Museum of Art, and a second collection of 30 Americans, 1700-1900, was loaned by the fine arts department of the International Business Machines Corporation.

Workmen have been busy building the backgrounds and mountings for the Electrical Exposition which will be a fair in itself, showing the newest developments in electrical appliances and devices. This show is considered one of the finest in the country and attracts visitors from all parts of the United States.

It will be a "new look" for fair visitors this year. The 12 exhibiting counties have entirely revamped their huge displays in modernistic designs and individual exhibitors, communities and commercial enterprises have been most lavish with backgrounds for the display of their finest products. Entirely new and augmented with a moving picture show of South American travelogues will be the Pan-American Exposition.

Participating in the big fair is an educational capacity is the United States Department of Agriculture with 30 displays to represent cooperative programs available to the public from the government.

Among several innovations will be the showing outdoors of Florida's wild animals, previously housed inside, and the Fair's first swine show in a newly completed building.

The Fair's flower show in its own new especially ventilated building on the West side of North Boulevard will be greatly improved and expanded. The former flower show building at North Boulevard and Cass Street will be used for an expanded honey show.

Two New Members In Methodist Circle

Mrs. C. A. Canipe and Mrs. M. D. Conrath were welcomed as new members of the Simpson-Lair Circle, First Methodist WSCS, at a meeting at the home of Mrs. G. W. Byrd, Sr., Monday afternoon.

Mrs. Duncan Padgett presided at the business in the absence of the chairman, Mrs. L. J. Fraser. Mrs. Arch Blakely announced that a dramatic presentation of a mission study of Hawaii, "On Our Own Doorstep" will be given in the form of a play by members of the Mary Martha Circle at the February meeting of the WSCS in the church auditorium Monday evening, Feb. 7. The cast will be in Hawaiian costumes and at the conclusion of the program Hawaiian food will be served as refreshments.

It was announced also the Methodist Young People's Fellowship will sponsor a bake sale on Feb. 12 for the benefit of blind youth in China. Mrs. J. R. York was appointed to recommend necessary arrangements for a thorough house cleaning of the church building.

Mrs. R. J. Schroder gave a report on the recent subdistrict meeting in Belle Glade.

On the program Mrs. Blakely presented a study of Puerto Rican problems entitled, "Puzzles of Puerto Rico."

\$100,000 Asked For Stetson Student Religious Center

A check for \$5,000 for the Student Religious Center at John B. Stetson University at DeLand is given to Dr. John Maguire, right, executive secretary of the Florida Baptist Convention, by Dr. Harrison Griffen, secretary of the department of Christian Education. Donor requested that his name be withheld.

Florida Baptists and friends of John B. Stetson University are being asked to contribute \$100,000 on Sunday, January 30, to erect a student religious center building on the University campus at DeLand.

Gifts will be made through the 900 Baptist churches in Florida or directly to the Florida Baptist Convention, 218 West Church Street, Jacksonville.

The building will be a living memorial to William Sims Allen, president-emeritus of the University, who resigned because of ill health in 1947. He was succeeded by J. Ollie Edmunds, of Jacksonville.

The religious center building, which will be used both for recreation and for continuing Christian influence of the home and home-town church, probably will be the first building erected under the present Stetson Expansion Program.

Two college planning experts have made surveys on the Stetson

campus and a long-range program of building is in the process of being developed, according to President Edmunds. The University is not planning for the next year or 1951, but for 50 years in the future. Need for a religious center building has been voiced by trustees, administration, faculty and students. Present facilities are housed in a converted residence which is older than the university itself. All organizations of more than two dozen members must meet elsewhere.

Ministerial students and members of the faculty have visited approximately half of the church in Florida in the last three weeks, to tell congregations of the need for their support.

Plans of student religious centers at University of Florida, Florida State University and Baylor University have been studied by Stetson student leaders and faculty members with the idea of incorporating the best features of each in the building at Stetson.

Mrs. R. J. Schroder Is Circle Speaker

At a meeting of the Gertrude Shirley Circle, First Methodist WSCS, at the home of Mrs. L. L. Shirley Monday night the last three chapters of the WSCS mission study text, "Newness of Life," was presented by Mrs. R. J. Schroder, a guest. Mrs. Schroder also gave a report on the Glades Subdistrict WSCS meeting held last week in Belle Glade.

Mrs. M. I. Keen, chairman, named Mrs. I. M. Lair, Mrs. Leo Wroten and Mrs. R. W. Sanders on a special attendance committee. Mrs. John A. Dulany, WSCS president, explained to circle members the budget set up by the local WSCS for the next five months.

Mrs. Shirley was assisted with the entertaining by Mrs. Leon Spooner, Mrs. J. G. Thomas and Mrs. Glenn Abing, co-hostesses. Mrs. J. D. Walker of Tennessee and Mrs. George Schroder were visitors.

SENIOR 4-H CLUB MEETS

The Pahokee Senior 4-H Club met Wednesday afternoon. The meeting was devoted to discussions of procedure in cleaning different fabrics, the solvents needed to remove stains, the tests for permanent dyes and the importance of selecting good materials. Members of the club took part in a general exchange of ideas and plans for their sewing exhibits.

—Jeannie Platt, Reporter.

L. G. Alderman, Mrs. Raymond Caruthers and Mrs. J. H. Wilkin, Jr., attended a Philco television show in Miami Wednesday.

Citrus Mutual Is Gaining Members

LAKELAND — Florida Citrus Mutual officials have been busy this week in their effort to finish up their goal of 75 per cent of the citrus production, so that Mutual's plan for marketing can be put into operation.

Business men, bankers, citrus men, chambers of commerce and industries allied with citrus aided in singing up growers during the week with the hope that the required amount will be signed up to permit the plan of operation to start this season.

The 21 new temporary directors of Mutual elected at an Orlando meeting last week have been actively working on the membership drive and also asked the aid of business men and others in the signing of citrus growers.

Mutual officials are hopeful that the campaign can be wound up successfully within the next week or two.

Jim Morton, organizational director of Mutual, last week was ordered to bed his physician to take a complete rest of from three to six weeks. The doctors have ordered that he have no visitors.

BROWNIE GROUP MEETS

Mrs. H. L. Carter called a meeting of her newly organized Brownie Troop at the Woman's Clubhouse Friday afternoon to explain Brownie work and discuss preliminary plans for activities with the group under her leadership. At the conclusion of the meeting refreshments were served by Mrs. Carter and Mrs. W. H. Rogers, assistant leader.

Mrs. Baldwin Presents Circle Program

A program on "Christ, The Answer For the Individual" was presented by Mrs. Tom Baldwin at a meeting of the Grace Jernigan Circle, First Baptist WMU, at the home of Mrs. A. E. Morgan Tuesday night.

Pertaining to the topic, Mrs. W. M. DuBose gave a talk on "Our World in 1949"; Mrs. Wiley Tillis, "Jesus, Molder of Men"; Mrs. D. W. Young, "How are Human Beings to Live Together," and Mrs. H. C. Graham, "Fourway Highway of Spiritual Life."

Mrs. R. S. Douthitt sang a vocal solo, "Open My Eyes So I May See." Mrs. Graham, circle chairman presided at the business. Mrs. C. H. Willis was a visitor. It was announced that the next meeting will be held at the home of Mrs. Tillis on Feb. 22.

Mrs. Teresa Hawkins of Miami spent the past week here on business and visiting friends.

SONG PRACTICE

Girl Scout Troop Two met at the Pahokee First Methodist Church Tuesday afternoon to practice songs for the Glades Girl Scout Song Festival on Feb. 25. The scouts made nut finger cookies which they served as refreshments. Frances Meeks was a visitor.

Allen Segree Named Cub Scout Denner

Allen Segree was elected denner of Pahokee Cub Scout Den Three at a meeting at the home of Mrs. D. W. Cunningham, den mother, on Thursday afternoon of last week. Other new officers chosen were Daniel Howes, assistant denner; Jay Snyder, keeper of the bookskin, and Earl Douglas Meredith, pianist. David Ramey is serving as den chief for the group.

Two new modern exposition buildings will add color and magnitude to the 1949 Florida State Fair scheduled to be held in Tampa, February 1 to 12.

NOTICE TO TAXPAYERS

As required by law, I will be at the following places on the dates set opposite each, for the purpose of receiving tax returns for the year 1948.

All	W. Palm Beach	Open Daily	Until April last	Court House

Returns on REAL ESTATE, TANGIBLE AND INTANGIBLE PERSONAL PROPERTY should be filed at this time. I respectfully urge all taxpayers to meet me at the various appointments and make their returns. I shall be glad to discuss any tax problems which you may have and help you in any way possible.

If for any reason you cannot meet me at these appointed places, the Tax Assessor's Office in the County Court House will be open for the purpose of receiving returns until the first of April. After that date no returns can be filed, nor can a homestead exemption application be accepted.

I shall be glad to mail the necessary blanks to anyone upon request.

Francis G. Bowen Wins AAF Promotion

Pfc. Francis G. Bowen, son of Mrs. F. A. Bowen, 215 South 6th Street, Ft. Pierce, Florida, was recently promoted to the grade of Corporal. He formerly lived in Canal Point.

Cpl. Bowen enlisted for three years in the United States Air Force in September 1947. He attended and graduated from Clerktypist School, Lowry Air Force Base, Colorado. Upon graduation he was sent overseas, arriving at Ramey Air Force Base, Puerto Rico May 1948.

Cpl. Bowen is assigned to the 180th AACS Group, Ramey AFB, P. R. in the Air Operations Section. His organization is part of the worldwide Airways and Air Communications Service, which mission is to provide communications for the United States Air Force and navigational aids for aircraft in flight.

Bobby Mackey, Dale Maxwell and Mr. Buchanan spent the weekend hunting at Devils Garden.

GIRL SCOUTS MEET

The Girl Scouts of Canal Point had their regular meeting Friday, January 21, 1949. We stood in a horse shoe formation and pledged allegiance to the American Flag and gave the Girl Scout Promise. We divided into patrols, paid the dues and the roll-call was held. We studied "Respect Due to Flag" and the flag regulations. We were very sorry that Mrs. Scoggin, one of the teachers could not be at the end.

Wildlife Exhibit Planned For Fair

TALLAHASSEE — The State Game and Fresh Water Fish Commission is ready to present the most pretentious wildlife exhibit it has ever offered at Tampa's Florida State Fair, Feb. 1-12, Director Ben C. Morgan revealed yesterday.

The commission's newest innovation this year will be the opening of its Wildlife Theatre, a 60-foot rustic building where continuous movies will be shown throughout the Tampa engagement. In addition, Director Morgan explained, numerous outstanding exhibitionists will present their acts from the theatre stage nightly. Already signed to appear are Ned Moren, reptile authority from St. Petersburg; Joe Paderatz, armless roler and fisherman; and Ross Allen, nationally recognized herpetologist, from Silver Springs.

Every known Florida fresh water fish will be exhibited from a 90-foot expanse of glass tanks and, in addition, 15 cages of wild animals and exotic birds will be shown in a 60-foot rustic setting.

Preparations have been made to entertain a record number of visitors at the exhibit on Wednesday, Feb. 2, the date that has been set aside as Wildlife Conservation Day by State Fair officials.

Ernest J. Barnes In Air Force In Japan

HEADQUARTERS, Yokota AFB, Japan—Private First Class Ernest J. Barnes, son of Mr. and Mrs. Homer S. Barnes, Pahokee, recently arrived in Japan and has been assigned to Yokota Air Force Base, most prominent of the Far East Air Force installations, located approximately thirty miles northwest of the Tokyo-Yokohama area.

Airman Barnes graduated from Pahokee High School June 10, 1948 and accepted a position as mechanic with the Pahokee Dusting Service. He entered the United States Air Force in August, 1948 and received basic and advanced training at several bases throughout the United States prior to being alerted for overseas duty.

On his arrival in Japan, Private First Class Barnes was assigned to the 5th Air Force for duty at Yokota Air Force Base with the 8th Bombardment Squadron where he will perform the duties on the organization flight line as an apprentice airplane mechanic.

The 8th Bombardment Squadron is an integral part of the 3rd Bombardment Wing, one of the tactical mainstays of the Fifth Air Force. In the performance of his duties airman Barnes will be materially aiding the Air Force in the successful occupation of Japan.

CHURCH OF CHRIST, SCIENTIST

"LOVE" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist throughout the world on Sunday, January 30.

The Golden Text is: "How excellent is thy loving kindness, O God! therefore the children of men put their trust under the shadow of thy wings" (Psalms 36:7).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "And we have known and believed the love that God hath to us. God is love; and he that dwelleth in love dwelleth in God, and God in him" (1 John 4:16).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The starting point of divine Science is that God, Spirit, is All-in-all, and that there is no other might nor mind,—that God is Love, and therefore He is divine Principle. . . . All substance, intelligence, wisdom, being, immortality, cause, and effect belong to God. These are His attributes, the eternal manifestations of the infinite divine Principle, Love" (275:6, 14-17).

Blood Bank Grows From Meagre Start

MIAMI — The important part played by the Hialeah track and horse racing in the start of the blood bank movement which has spread all over America and to many foreign lands, was recalled recently with the opening of a new \$200,000 building here to handle blood bank activities.

During the winter of 1941 Hialeah and racing supplied the encouragement, blood and money responsible for the early success of the Miami Blood Bank, the first of its kind in the world. The precious fluid from American blood banks helped save the lives of untold thousands during the war and since.

A. J. "Jack" Cleary, long-time Miamiian, then steward representing the Florida Racing Commission, is credited with conceiving the idea of the blood bank and he since has devoted much time to the development of the project.

A very modest beginning marked the venture, for Cleary leased a site from the City of Miami for \$1 a year and then began to search for ways and means of collecting the needed blood for the demands of the war. Because of his connection with racing, Cleary thought

of Hialeah and there found immediate response.

President John C. Clark of Hialeah not only agreed wholeheartedly to aid in the project but put on a race especially for the blood bank purpose. Around \$2,000 was raised in this manner to purchase technical equipment needed and Hialeah also made direct contributions annually to the bank until it became self-sustaining.

The first mobile unit of the blood bank was set up at Hialeah and, according to Cleary, racing's personnel was quick to see and meet the need. Horsemen, jockeys, track officials and employees and even the public attending the sport at Hialeah visited the blood bank regularly to make contributions of life-giving fluid for others.

Greatest of all Florida exhibitions, the Florida State Fair will open in Tampa, February 1 and continue for 11 big days and 11 big nights, closing Sunday, February 12. Twenty-eight modern exhibition buildings will house over a thousand displays, officials announced.

"Pennies for thoughts" is more than a figures of speech at the B. F. Goodrich Rubber Company plant. Last year over \$50,000 was paid to employees for labor and time-saving ideas.

Walter L. Hays, president of the Florida State Chamber of Commerce has called a meeting of the Board of Directors for Thursday morning, February 24, at the George Washington Hotel in Jacksonville.

May you never be roasted like this!

"NEFF? SURE I REMEMBER HIM. Class of '19, wasn't he?"

"That's right. You knew he had to give up his job. Doctor's orders."

"Tough break. Hope he had some money saved up."

"Not Neff. Not a penny. You know how he always was—easy come, easy go. Had to sell his house to get out of debt."

"Rough on that sweet little wife of his. Now that I think of it, she kept trying to talk him out of his free-spending ways. Guess she never could."

"He'd never listen. And now those two

boys of theirs are of college age."

"Guess now they'll have to go to work, supporting him. Why do people get themselves in a spot like that? Anybody with the common sense of a jack-rabbit knows that the only way to protect their families and themselves is with a systematic plan of saving."

• • •

We don't know Neff. We merely overheard two fellows talking at lunch the other day. Actually we feel sorry for him—for anyone who doesn't know the importance of saving.

Fortunately, for every Neff there are thousands of others who do have a plan for the

future. These are the men who invest a part of their earnings each month in U.S. Savings Bonds.

They can see the wisdom in the Payroll Savings Plan—a painless, automatic plan that pays back \$4 for every \$3 put in, after ten years.

They know that U.S. Savings Bonds are guaranteed by the Government—the safest, surest investment a family man can make today!

If you're not on a payroll, ask at your bank about the equally convenient Bond-A-Month Plan. Remember—you owe it to your own future and to the security of your family!

AUTOMATIC SAVING IS SURE SAVING—U.S. SAVINGS BONDS

Dan McCarty To Lead Florida Cancer Drive

TAMPA—(Special)—One of Florida's best known public figures will lead the drive in the state next April for funds to carry on the fight against cancer.

He is Dan McCarty, of Fort Pierce. His selection as State Campaign Chairman by the State Executive Committee of the Florida Division, American Cancer Society, was announced here today through Mrs. Malcolm Smith, the Division's Executive Director.

McCarty already has begun setting up a small army of volunteer workers who will carry the drive into every corner of every county in the state.

"Money given to the American Cancer Society by the people of Florida over the last three years," McCarty said, "has built here one of the finest cancer control programs in the United States."

"Right now it is saving lives that otherwise almost certainly would have been lost, and the overall cancer fight, is the brightest it has ever been."

"But that doesn't mean that it's won. The tide has begun to turn, but there still are more than 2,600 men, women and children dying of cancer in Florida every year. The lives of half of them can be saved."

"It will take money to help to do it. The Florida Division is not going out to see how much money it can raise. It needs \$175,000 to carry out a careful program that has been mapped by the doctors and cancer control specialists. That amounts to an average of about 25 cents per family in the state... a ridiculous figure in the light of what it can accomplish."

McCarty said that a Campaign Chairman would be named in each county and a campaign organization built around the more than 600 volunteers who conduct the year-round cancer education program.

Dan McCarty

The State Campaign Chairman, who was one of the two candidates in the run-off in the last gubernatorial primary, is recognized over Florida as one of the most public-spirited men in the state.

His family pioneered the development of Fort Pierce and the lower east coast, and McCarty, soon after his graduation from the University at Gainesville, followed in the footsteps of his father and grandfather.

He was elected to the Legislature in 1937, and at the 1941 session was elected Speaker of the House — the youngest in Florida's history. He owns substantial citrus groves in St. Lucie County and was the organizer of the Indian River Citrus Associates, a co-operative packing and marketing group which he serves as general manager.

On a hunting trip in the vicinity of Gulf Hammock this week are Reppard Cowart, Dr. D. S. Spooner, Wiley Tillis, H. Jones and C. H. Hitchcock.

Rev. and Mrs. Fred D. Hooks returned Tuesday to Nashville, Tenn., after a visit with his mother, Mrs. J. W. Hooks, and brother and sister-in-law, Mr. and Mrs. D. L. Hooks, in Canal Point and his brother-in-law and sister, Mr. and Mrs. T. W. Jenkins, in Pahokee.

Mr. and Mrs. Carl G. King of Newman, Ga., arrived Wednesday for a visit with his brother-in-law and sister, Mr. and Mrs. E. P. Holt.

Mr. and Mrs. James H. Wilson, accompanied by his parents' afflu house guests, Mr. and Mrs. Charles L. Wilson, were visitors in Key West over the weekend.

Mrs. Julian Branch and son, Franklin, and Frank Tillis are guests of Mr. Tillis's uncle and aunt, Mr. and Mrs. H. L. Jaudon, in Wauchula this weekend.

Mr. and Mrs. Charles L. Wilson left Tuesday for their home in Nashville, Tenn., after a month's visit with their son and daughter-in-law, Mr. and Mrs. James H. Wilson, in Pahokee.

Vance Denton, son of Mr. and Mrs. V. C. Denton of Pahokee, graduated from Texas A. & M. College Station, Texas, on Jan. 21 with a degree in industrial education. Mr. Denton is a graduate of Pahokee High School and served in the Navy during the war.

Rep. B. Elliott spent the past weekend in Washington, D. C., working in the interest of the Everglades flood control program.

Mrs. H. J. Metzler and daughter, Catherine, of Albuquerque, N. M., are guests of her brother and sister-in-law, Mr. and Mrs. F. M. Shaughnessy.

Mr. and Mrs. Joe Crouthers have returned to Sikeston, Mo., after a visit here with her brother-in-law and sister, Dr. and Mrs. W. H. Lair and other relatives.

County Exposition—

Continued from page 1
make the building available for use by the Vocational School.

Practically all utility companies have given support to the Exposition either by entry with a feature display or other means. Major transportation companies will co-operate in display, advertising and distribution of thousands of half price complimentary tickets for the huge affair.

"The Exposition shapes up as a one-hundred percent County project, and should be attended by every able man, woman and child in the County, as well as by our winter guests. It will greatly add to the amusement and education of our tourists and place the products and services of Palm Beach County before people of all states," commented R. D. Hill, Co-Chairman of the Exposition.

Trees Marked For Gunpowder, Rosin

STARKE—In case you wonder what those painted markings are that you see on pine trees as you drive along, they probably mean the Hercules Powder Company is stump-collecting thereabouts. The company operates seven centers in Florida for harvesting old longleaf yellow pine stumps: Hilliard, Baldwin, Jasper, Lake City, Green Cove Springs, Zephyrhills and Poyner. The leasing office is located here.

From the centers, the wood is shipped to the Hercules naval stores plant at Brunswick, Ga., where it is transformed into rosin, turpentine and pine oil. These three chemicals from the basis for many synthetic chemicals used in making paint, paper, textiles, plastics, plywood and other items.

The Brunswick plant handles half a million tons of wood from Florida, Georgia and South Carolina each year. The weathered stumps of the pine found in most of Florida and in the southern parts of Georgia, Alabama, South Carolina, Louisiana and Mississippi contain the proper naval stores chemicals, according to Hercules.

Acres under lease in a state fluctuates since the harvesters are constantly on the move. Sometimes farmers clear their own land, and sell the stumps themselves.

Personal

Mrs. Laura Vorhees has returned to Canal Point where she is making her home with her son and daughter-in-law, Mr. and Mrs. Boyd Vorhees, after spending several months in Indiana and Ohio.

Mr. and Mrs. M. I. Keen and Edward A. Jensen were guests of Mr. and Mrs. W. I. Lawson, in Okeechobee Sunday.

Mr. and Mrs. J. J. Chastain visited their son-in-law and daughter, Mr. and Mrs. H. N. Sorrels, in Arcadia Sunday.

Roy Segree returned Saturday after spending a week in Cuba on business. He was accompanied by Mr. Sanders of Indiantown.

Mrs. T. J. Hinoite is spending two weeks in Miami with her daughter, Mrs. Gene Daucs.

Mr. and Mrs. Geo. B. Ramey and children visited their cousins, Mr. and Mrs. Armour Ramey, at Prairie Creek near Punta Gorda Sunday.

A. M. Pugh is a patient at the Everglades Memorial Hospital this week.

Richard Keen returned Tuesday from a visit of several days with his grandparents, Mr. and Mrs. S. P. Slonaker, in Clewiston.

Mrs. Arthur B. Smith of Brooklyn, N. Y., arrived Sunday for a visit with her mother, Mrs. J. V. Chastain, and her brother-in-law and sister, Mr. and Mrs. E. L. Pope.

Mr. and Mrs. M. I. Keen had as guests the past week her brother, Paul Slonaker of Clewiston, and Mary Atcarian of Miami.

Mr. and Mrs. H. J. Anderson had as guests over the weekend her brother and sister-in-law, Mr. and Mrs. Austin Staples of Coral Gables, and her brother, O. F. Staples of Valhalla, N. Y.; also the latter's daughter, Mrs. William King, and son of Miami.

N. D. Evans has gone to Pensacola to be with his brother-in-law, Tom Matchett, who is seriously ill at a hospital in that city.

Mrs. B. Elliott was able to return home this week from St. Mary's Hospital, West Palm Beach, where she was a patient for several days.

Mrs. Ray Raulerson and Mrs. Melvin Spooner spent the weekend

in North Florida visiting their mother, Mrs. H. P. Gainey, at Brookier; also their brother-in-law and sister, Mr. and Mrs. R. W. Brannen, and Mr. and Mrs. A. C. Libhart, at Raiford.

Dewitt Andrews, son of Mr. and Mrs. G. A. Andrews of Canal Point who has been associated with Farnes Tree Surgeons, Inc., in West Palm Beach for the past six months, has been transferred by the company to Decatur, Ala.

J. C. Mock has returned from a visit with his brother, J. D. Mock and family, and other relatives in Colquitt and Donaldsonville, Ga. He was accompanied by Col Davis who visited his parents, Mr. and Mrs. Charles Davis.

Mrs. Esther Spooner of Donaldsonville, Ga., will arrive this week for a visit with her brother and sister-in-law, Mr. and Mrs. J. C. Mock, in Pahokee.

Mrs. A. C. Santo will present the program at a meeting of the Lucy Jones Circle, First Baptist WMU, at the home of Mrs. W. H. Rogers, Tuesday, Feb. 1, at 3 p. m.

Mrs. E. C. Watson has returned home after spending two weeks in Tampa. She was the house guest of her brother and sister-in-law, Mr. and Mrs. Beryl Davis, while there.

Canal Point Methodist W.S.C.S. meets Tuesday, February 1 at the home of Mrs. Don Kepp, at 2:00 o'clock.

A call meeting of the Lottie Moon Circle, First Baptist WMU, will be held at the church Monday, Jan. 31, at 3:30 p. m. with Miss Elizabeth Caraway in charge.

Calvin Spooner left Sunday on a business trip to Houston, Texas.

Mr. and Mrs. E. C. Watson have as guests his mother, Mrs. T. C. Watson, and sister, Miss Jackie Watson, of Fort Gaines, Ga.

Mr. and Mrs. Adrian Bramley and daughter, Carolyn, of McMoresville, Tenn., have returned to West Palm Beach where they are spending the winter season after a visit with their cousins, W. P. Walker, and Mr. and Mrs. Robert Walker in Pahokee.

Mrs. Wiley Tillis, accompanied by her brother, H. L. Jaudon of Wauchula, spent the weekend in Jacksonville visiting her uncle and aunt, Mr. and Mrs. S. L. Gilliland.

Mrs. Olaf Boe and Mrs. Mabel Adams attended a Bendix ironer demonstration school in West Palm Beach Wednesday.
